Clyde Fernandez, IBM Australia Limited;

Christopher Gray, iCare Solutions;

Heather Grain, Llewelyn Grain Informatics;

Collins Rex, Rex Ideas;

Jon Hilton, project.net;

Alby Creevey, Sun Microsystems

### **About iCare Solutions**

*iCare is the market leader in the provision of Clinical & Care Management solutions to the aged care industry in Australia with over 30,000 beds under licence and a further 18,000 beds being implemented. The total number of aged care beds in Australia is approximately 220,000.*

*iCare software was developed based on a research thesis by Dr Bill Koch at La Trobe University in Melbourne. Today, it is the second fastest growing software company in Australia and the seventh fastest growing company across all technology sectors (Deloitte Technology Fast 50, 2007. In 2006, iCare was rated fifth and 25th respectively). Based in Melbourne, iCare is privately owned. It employs 30 staff in Australia and was launched in the UK in September 2007.*
